Experience The Dunes Club in August

Consistently competing for the number one course ranking on the Grand Strand, The Dunes Club is a classic Robert Trent Jones layout built in 1948 with the reputation of being one of the revered designer's finest efforts. The Dunes Club perpetually receives high national rankings and has hosted numerous significant professional tournaments including six Champions (Seniors) Tour Championships, a U.S. Women's Open and finals of the PGA Tour Q-School. Renovations completed in 2001 including a change to A-1 bent grass greens, expanding the driving range and Club-

house renovations further enhance the golfing experience at The Dunes Club. High praise for the Club continues from both media and public with *Golf Digest* awarding 4 1/2 Stars in its "Best Places to Play" survey, a recent ranking of #28 in *Golf Digest's* "100 Greatest Public Courses in America," a listing in *Golf Magazine's* "100 Greatest Courses in the U.S. and a listing in *Golfweek's* "100 Best Classical Courses." The Dunes Club is set on a beautiful stretch of property with a couple holes having ocean views. Hole number thirteen, nicknamed "Waterloo", has been recognized as one of the best par fives in the country. One quickly discovers why the hole received its nickname.

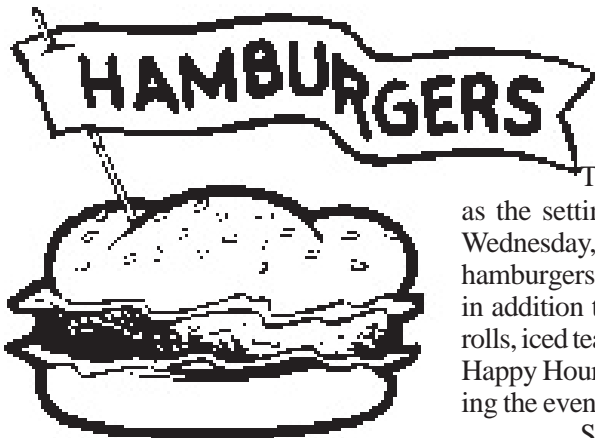

Head Pro Dennis Nichol has arranged for a special rate of \$65 per person for the **August 9 Travel Day**. Tee times begin at 10:04 am. Call 843-390-3200 by 5:00 pm, August 7 to reserve your spot. Better call quickly as this Travel Day is sure to fill up fast.

Matt Baldwin models July sale items

How important is comfort during a round of golf? Stop and consider two of the most crucial aspects of playing successful golf - your swing foundation and eyesight. Good footwork starts with a solid foundation and helps balance through the swing while proper eyesight helps determine distance, direction and depth perception. Having shoes with good stability and soft comfort coupled with sunglasses that filter harmful UV Rays and relax the eyes can make a huge difference in your golfing experience. According to Bradley School Instructor, Alasdair Dyer, the support of the foot arch and lateral foot support are very important in establishing a good foundation for the golf swing and in maintaining good balance. Jeff Diehl, Head Assistant Pro at the Resort, insists that a first-rate pair of sunglasses with the newly developed lens technology not only protects your eyes from glare and harmful UV Rays but also improves visual clarity.

So, if you've been considering new golf shoes or the purchase of sunglasses, now is the time to act at the Barefoot Resort and Nike Pro Shops. For the month of July, all shoes and sunglasses (with the exception of Tiger Woods Signature Nike Shoes at the Nike Pro Shop) will be on sale for 20% off, double the normal discount for members. The Tiger Woods Signature Series will be on sale for 15% off. For example, one of the most comfortable shoes on the market, the Foot Joy Contour, normally sells for \$105. With the 20% off, the shoe will sell for \$84 during the month of July. A pair of Oakley Sunglasses normally selling for \$129.95 will go for \$103.96. In addition to the shoe and eyewear sale at the Nike Pro Shop, a special collection of Nike Sphere Dry Polo Shirts, now on sale for \$69.95, will be sold to members only for \$59.95. In the month of August, members can take advantage of an apparel sale at the Nike Pro Shop (excluding shoes and eyewear) with all men's and women's apparel not already on sale going for 20% off, again double the normal member discount.

Now is the perfect time to take care of your feet and eyes. And, if foot and eye comfort is not an important factor, remember the old saying, if you can't play a good round of golf, at least you can look good doing it!

Sample A Bit of Scotland July 12

One does not have to travel across the "big pond" to experience Scottish golf heritage. Fortunately for those of us who live on the Grand Strand, the developers of the Thistle Golf Club had the foresight to bring that special aura to our region. Located just north of the NC/SC line in Sunset Beach near the village of Calabash, the Thistle Golf Club takes its name from an ancient Scottish golf society dating back to the early 1800's. The course layout poses a distinct Scottish links feel with windswept fairways, large bentgrass greens and surrounding hillsides covered in heather and wild flowers. The Thistle is known for superb conditioning, exemplary service and twelve-minute tee times. The 27-hole facility, designed by modern architect Tim Cate who was challenged to "create a course that is ferocious to the eye, yet fair to the average golfer", opened in 1999 and has since built a reputation which has established it as one of the best facilities on the Grand Strand. With generous open fairways and five sets of tees, players of all levels can enjoy this superb layout. The exceptional conditioning of the course earned it a listing in the "Top 100 Fairways in America" by *Golf for Women Magazine*. The Thistle was awarded a 4 1/2 Star ranking in *Golf Digest's* "Best Places To Play."

Head Pro Gene Weldon has arranged for an outstanding rate of \$45 per person. Tee times begin at 8:24 am. Better call 843-390-3200 quickly to reserve your time. Deadline for saving space is July 10, 12:00 noon.

Greens Maintenance

During the hot summer months you may encounter maintenance crews hand watering the greens on our golf courses. This hand watering serves to keep the grass from becoming too hot and literally burning up under the harsh summer sun. The bent grass is especially vulnerable when temperatures get above 92 degrees at ground level. As our bodies sweat to cool off, so does the grass need to sweat. Therefore, our crews help the grass cool off during the hottest days by creating a watery mist. Yes, this extra moisture does affect play but, in the long run, the watering keeps the grass alive and in good condition for future play. If you encounter our outstanding maintenance crews hand watering greens, we would appreciate your cooperation and patience and understand they are only trying to maintain the first rate conditions our members and the general public have come to expect at Barefoot Resort & Golf.
