## Parking Restrictions at Clubhouse Parking Lot

Barefoot Management has again asked us to relay a message to all members regarding parking restrictions at the Resort Clubhouse. We sent communication about this issue in a fairly recent e-mail and perhaps even included parking discussion in a prior Newsletter.

We ask that all members refrain from parking in areas that are not marked and designated specifically for parking in the Resort Clubhouse Parking Lot. Inappropriate parking, especially in front or around the Premier Building (barn-like structure next to the bag-drop area) during busy golfing days and on all days when the range shuttle is operating creates problems. It creates a hazard for any emergency vehicles that may have to come on the premises and for those drivers attempting to manipulate the range shuttle in close quarters. Parking outside of designated areas also puts your vehicle at risk since the undesignated areas are usually right-of-ways or traffic lanes. You could be liable for any damage to your vehicle or other vehicles. It is our understanding that the Fire Department could levee fines if right-of-ways are blocked and they are unable to carry out necessary functions. Naturally, we wish to avoid any fines for our business.

In an effort to correct this situation, we seek your utmost cooperation so that more drastic measures do not have to be taken. We appreciate your understanding and cooperation in this matter.

## MAM Popularity Continues to Grow

Another stellar group of golf pros and celebrities, another sellout crowd and another huge amount of money raised resulted in another very successful day for the Hootie and the Blowfish Monday After the Masters Tournament held on April 9 at the Dye Club at Barefoot Resort. The charity tournament just keeps growing in prestige and popularity with proceeds allocated to some very deserving charities including the Hootie and the Blowfish Foundation, The SC Junior Golf Association, Special Olympics of SC, First Tee of Spartanburg, Junior Achievement of Coastal Carolina and Fairway Outreach.

More than \$2,000,000 has been raised for the above golf and educational charities since the tournament was moved to Myrtle Beach about six years ago. The 2007 celebrity field included pro golfers John Daly, J.B. Holmes, Robert Gamez, Ricky Barnes and D.J. Trahan along with celebrities Marcus Allan (NFL), Marshall Faulk (NFL), Jim McMahon (NFL), Stewart Scott (ESPN) and Steve Spurrier (SC Football).

The Barefoot Member party appears to have been on the 18th hole. Right - PGA Pro Ricky Barnes and young fan pose for the camera.

## Got Game for Legends Moorland?

As one of only two South Carolina golf courses to make *Golf Digest's* recent ranking of "Toughest Courses in America," the Legends Moorland Course (ranked #37) can proudly stand as the only Grand Strand course to make the "Toughest" list (Kiawah's Ocean Course ranked #1 among all courses). It seems that whenever the Dye name is associated with the creation of a golf course, the words "extremely challenging" usually make it into everyone's description of their playing experience. In this case, the Dye association comes from P.B. (not Pete) and, according to reports from players, yes, the course is tough but it is also fun. Characterized by large expanses of natural growth, sand, water and waste areas, the course also features multilevel fairways and greens and, of course, the signature Dye bulkheads which create both visual interest and unusual hazard.

Moorland Par Four 16th featuring "Hell's Half Acre"

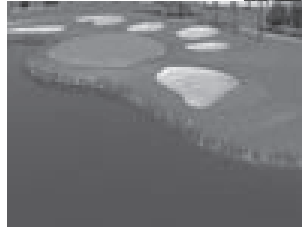

Moorland is certainly an "experience" and, because of its uniqueness and interesting challenges, remains one of the most requested courses by visiting golfers. One particular hole on Moorland stands as a prime example of the "tough and fun" moniker.. The 245 yard par four sixteenth can be either the highlight of your round or the lowlight. Longhitter's are tempted to drive the green but should they be slightly off "Hell's Half Acre" (large, deep bunker protecting left side of green) awaits them. Experiencing "Hell's Half Acre" can turn a tameable par four into a nightmare. **Take the Moorland challenge on Thursday, May 31.** Head Pro Matt Biddington (former Barefoot Assistant) has arranged a super deal for Barefoot Members at \$29 per person. To reserve your time, call 843-390-3200 by May 29, 12:00 noon.

# Travel to Sea Trail (Jones) in June

Recognized as one of the finest resorts on the East Coast, Sea Trail Plantation in Sunset Beach, NC boasts three first-rate golf courses designed by Rees Jones, Dan Maples and Willard Byrd. Barefoot Golf and Social Members are invited to **travel to Sea Trail on June 21** to play what is generally recognized as the finest of the three Sea Trail courses, the Jones Course.

Designer Rees Jones has gained recent notoriety as the renovator of four of the last five U.S. Open Courses, an honor considering that U.S. Opens are usually held on the most heralded and challenging golf courses in the U.S. Speaking of renovation, the Jones Course at Sea Trail recently received a make-over. The layout is characterized by smooth bent grass putting surfaces, water hazards on eleven of the eighteen holes, wide fairways, mounding ranging from subtle shaping to rolling terrain and more than enough pot and large expanse bunkers. The coastal terrain on which Sea Trail resides is some of the most beautiful on the Strand with the ocean only one mile away.

The Jones Course at Sea Trail is constantly recognized by the golf media with *Golf Digest* rewarding four stars in its "Best Places to Play" survey and *Golf Week* naming it a 2005 "Best Resort Course of Distinction." Tee times begin at 7:40 am and run in ten minute increments. Head Pro Eddie Pratt is offering a special rate of \$40 per person for Barefoot Members. Sign up by calling the Pro Shop at 843-390-3200 by June 19, 12:00 noon.

## Important Member Reminders

### Selling Property/Transferring Membership

Please be aware that if you sell your property at Barefoot Resort you relinquish the membership attached to it. The buyer of your property has the option to purchase the membership for a transfer fee which is usually about 10% of the value of the membership. We ask that either buyer or seller provide proof of the sale by forwarding a copy of the first page of the HUD settlement statement to the Membership Dept. The buyer has 60 days from closing to sign up for the membership at the transfer rate. After that time, the initiation fee goes to full value. Remember, if there are any questions about the transfer of membership from seller to buyer, it is best to get them settled before the transaction takes place.
