Frequently Asked Questions

(Every Member Should Read This)

Member ID's Required

All Resort Members, including any family member eligible for membership, must have a permanent magnetic stripe ID card in order to receive privileges and benefits associated with the membership. All members must present their ID when checking in for golf, buying merchandise or buying food and beverage at any of our Barefoot Resort & Golf facilities. Failure to present ID will result in loss of discounts and charging. Members will be charged \$5 for replacement ID cards that are lost. ID's are obtained by making an appointment with the Membership Dept. (843-390-3203) to have a photo taken and ID processed.

Changing Membership Levels

Resort Members may switch from the Social Level to the Golf Level or vice versa at any time depending on when one last changed levels. Following the initial change of level, the member will have to wait a minimum of one year before being able to switch levels again. Switching membership level means changing level for all family members enrolled. There is no additional fee for switching membership levels. Changing membership levels from Golf to Social because of medical reasons requires a three-month minimum stay at the Social Level. The member's physician must submit a letter stating the patient is released to return to golfing activity before Golf Level status is reinstated. All requests for changes in membership level must be made in writing to the Membership Dept. (membership@barefootgolf.com).

Booking Tee Times

A limited number of tee times will be reserved for members each day. Tee times may be booked 7 days in advance by calling golf reservations at 843-390-3200. Each family membership is limited to booking one foursome or one tee time per day. Any reserved member times not booked within 48 hours may be released to the general public. Members may play more than one round of golf per day based on a non-booked first come, first served basis after the first round is completed. Since Barefoot Resort & Golf must balance tee times between the general public and members, it is understood there may be times, particularly during peak

seasons (March 15-May 15; September 15-November 15), that members may not be able to get the exact tee time on the exact golf course they want. Barefoot Resort & Golf does not guarantee specific tee times on specific golf courses for members. Should members and guests not show up for a booked round without 48-hour advance cancellation (unless course is closed), the member will be charged one cart fee and three member-guest rate fees.

Credit Card, Account and Information Changes

It is the member's responsibility to contact the Accounting Dept. (843-390-3109, statements@barefootgolf.com) as soon as possible with credit card or bank account number and expiration date changes and the Membership Dept. (843-390-3203, membership@barefootgolf.com) with address changes, phone number changes, e-mail changes and any other personal information changes which might affect communication or one's account status at Barefoot.

Property Sale and Membership Transfer

Property Sale and Membership Transfer The membership attached to a property is not transferable to another property. The value of the membership remains with the property and the member forfeits the membership upon closing should the property be sold. Upon selling a property, the member must provide proof of sale by forwarding a copy of the first page of the Closing Disclosure Statement received at closing to the Membership Dept. The Membership Dept. will then initiate cancellation and any dues credit owed member and also correspond with the buyer regarding their membership options. Failure to submit the Closing Disclosure within a 30-day period of closing could result in reduced dues refund. A membership attached to a property is transferable to the buyer of the property as long as the membership is current at time of closing.
