The third quarter kicked off with members Sippin, Chippin & Dippin at the Taco, Nacho and Quesadilla bar before sipping on some Margaritas at the Margarita Monday social gathering. Hopefully everyone didn't over indulge on tacos as the following week our members were once again able to treat their taste buds to a delicious four course meal featuring slow roasted prime rib at Barefoot Resort's ever popular Prime Rib Dinner. With everyone having a full stomach it was now time to kick things up a notch with the first Happy Hour of the 3rd quarter. The Prohibition themed

Happy Hour has become a staple the past two years. Everyone who participated by "knowing the password" was rewarded with great food and a great time dancing to music provided by DJ Butch. Our Members were once again able to enjoy two popular off-site social events this quarter

com field. At the Girls Night Out, our ladies were able to wine down their day with a relaxing glass of wine while partaking in light hors d'oeuvres of cheese with crackers and fruit all while discovering their inner Picasso. From an air conditioned suite our Members enjoyed a very exciting game of baseball between the Myrtle Beach Pelicans and the Buies Creek Astros with Barefoot Resort & Golf providing popcorn, hot dogs, coleslaw, potato chips and dip, as well as cookies and brownies to fill those 7th inning cravings. The Membership Department would like to thank you for you for your continued support and overwhelming attendance at our Member functions and social events. Snowbird Golf Program Returns

Since its inception in 2010, the Barefoot Resort & Golf Snowbird Golf Program has become one of the most popular memberships along the Grand Strand. For 2017-18, the program served almost 200 participants. Do you know someone who will be spending an extended period of time on the Grand Strand during the months of December, January, February and March? Based on elements from the current Resort Family Membership, Snowbird enrollment requires dues of \$250 per month and rental of property on the Grand Strand for a minimum of one month. Family Members as defined in our guidelines, will be able to play for a cart fee on Norman, Love and Fazio. Participants will also receive golfing discounts on the Dye Course, in addition to other privileges. If you know of someone who fits the snowbird description, please have them call the Membership Department at 843-390-3203 or write to membership@barefootgolf.com for more information.

Have You Used Your Vouchers?

Barefoot Resort & Golf would like to remind our members to use their "Unaccompanied Guest Vouchers" (given to golf members) and "Social Member Vouchers" (given to social members) on or before December 31, 2018 as they expire on January 1, 2019. Please recall that we do not replace misplaced or lost vouchers since we are unable to monitor the numerous vouchers distributed. We also ask to please be sure to give your vouchers to friends before they make their trip to our golf courses as we cannot substitute vouchers for ones left at home. Additionally, be on the lookout for 2019 vouchers in late December 2018 and keep them in a safe place to ensure their use in 2019.

Resolving Your Accounting and Billing Questions

Most members are aware that our Membership Dept. handles the billing of your monthly dues and charges to your account. Both the dues and account charges are placed on the credit card or bank account information members have on file with the Membership Dept. The Membership Dept. also sends you a statement, usually within the first week of the month. This lists all the account charges that were incurred for the prior month and dues incurred for the upcoming quarter. For each transaction you make during that month, the statement shows the date the member charged the item to their account, the area or department where the charge was made (golf, restaurant, etc.) and the amount.

On occasion, members have confused the date of the statement with the date of the individual transactions. The statement date refers to the date when the charges were actually moved to the credit card or bank account information on file and when the statement was published, while the individual transaction charges refer to the actual day when the member charged them to his/her account at Barefoot. The Accounting Dept. keeps all individual transaction receipts and therefore can readily do research on a particular item or statement that comes into question. Dues billing occurs at the beginning of each quarter based on the calendar year. For those that join in the middle or later part of the month, dues are prorated for that month. We hope that this helps clarify some of the commonly asked questions regarding Member billing.
