## Provide Closing Disclosure Statement or HUD Upon Sale of Property

Barefoot Members who sell their property in Barefoot Resort or in any of the developments designated for membership eligibility forfeit the membership upon closing. The Membership Dept. does not know when you sell your property. Therefore, it is up to you, the Member, to provide a copy of the first page of your Closing Disclosure or Settlement Statement received at closing as proof of the transaction. The Closing Disclosure lists the seller, buyer, exact address of property and closing date. Upon receipt of the Closing Disclosure copy, the Membership Department will then cancel your membership, send request to the Accounting Department, to credit any dues already paid for the quarter to the credit card or bank account on file and also correspond with the buyer regarding their membership transfer options. Failure to submit the Closing Disclosure within a 30-day period of closing could result in reduced dues refund. A membership attached to a property is transferable to the buyer of the property as long as the membership is current at time of closing. We will not cancel a membership and refund dues based on verbal notification from the seller/member.
