NEWSLETTER FOR BAREFOOT RESORT & GOLF MEMBERS

Dunes Club Travel Day

This classic Robert Trent Jones layout, built in 1948, carries the reputation of being one of the revered designer's finest efforts. The Dunes Club perpetually receives high national rankings and has hosted numerous significant professional tournaments including six Champions (Seniors) Tour Championships, a U.S. Women's Open and finals of the PGA Tour Q-School; and they also were the host course of the PGA Professional National Championship. High praise for the Club continues from both media and public with Golf Digest awarding 4-1/2 Stars in its "Best Places to Play" survey, Golf Digest's "100 Greatest Public Courses in America," a listing in Golf Magazine's "100 Greatest Courses in America" and a listing in Golfweek's "100 Best Classic Courses." Head Pro Dennis Nicholl is graciously offering Barefoot Golf Level Members the chance to experience the course on Tuesday, August 24th for a rate of only \$69 which includes green fee, cart fee and practice balls. There are twenty-four spots (6

foursomes) currently available for first come, first served sign-up. As in the past, we prefer foursome registration. Any singles requesting to play will be placed on a waiting list.

Sign-up deadline is Friday, August 20, 4:00 PM. Register by calling 843-390-3200 or in person at the Resort Pro Shop.

The Mental Game and Pre-Shot Routines

Bobby Jones once said that competitive golf is played mainly on a 5 ½ inch course, the space between your ears. Mr. Jones was referring to the challenges of the mental game. With enough swings and practice at the range, we have the ability to be great however, sometimes we lose focus and let negative thoughts creep in. The end result is usually less than desirable. One way to combat this, is to have a strong mental game and pre-shot routine.

Every Shot Must Have a Purpose is a book by Pia Nilsson and Lynn Marriott that touches on the mental game and how important it is to the overall game of golf. They focus on the “think box” and the “play box” and they feel that there needs to be some separation. The two boxes are exactly what they sound like. The think box is where the thoughts come into play before any action. The thoughts can include but are not limited to club selection, alignment, shot type, and shot visualization. At times, negative thoughts can find their way inside. If this happens, restart the process, focusing on the positive and what you are trying to accomplish. Once we have the positive thinking part out of the way, it is time to take action. Step across the imaginary line and execute the shot. Incorporating a pre-shot routine can help make this process easier. When we do the exact same things prior to each shot, it puts our mind in a comfortable place. The actions are familiar as we have performed them many times. A consistent pre-shot routine also has the ability to help control emotions and this can have a positive impact on the golf swing. Confidence is the key to success. Think positive thoughts, commit to the shot and execute!

Please Follow Member ID Guidelines

All Resort Members, including family members eligible for membership, must have a permanent magnetic stripe ID card in order to receive privileges and benefits associated with the membership. ID's are obtained by making an appointment with the Membership Dept. to have a photo taken and ID processed. We require that all members present the ID when checking in for golf, purchasing merchandise or food and beverage. Your card will be swiped into the point-of-sale system and your membership information will be displayed. Swiping your ID will also prevent your account being mixed up with another account and you incurring charges that do not necessarily belong to you. Showing your ID is the easiest way for staff to know that you should receive all the discounts and privileges associated with your membership. You should present your ID when in the Resort Clubhouse, at the outside Grill, on the golf course when purchasing from the beverage cart, at any other golf courses that give you discounts based on your Barefoot Membership, at Putters Pub at the Driving Range and at the shops and restaurants in Barefoot Landing and in the surrounding community that give member discounts.

Provide Closing Documents HUD Upon Sale of Property

Barefoot Members who sell their property in Barefoot Resort or in any of the developments designated for membership eligibility forfeit the membership upon closing. The Membership Dept. does not know when you sell your property. Therefore, it is up to the member, to provide a copy of the first page of your Closing Disclosure or Settlement Statement received at closing as proof of the transaction. The Closing Disclosure lists the seller, buyer, exact address of property and closing date. Upon receipt of the Closing Disclosure copy, the Membership Dept. will then cancel your membership, send request to the Accounting Dept. to credit any dues already paid for the quarter to the credit card or bank account on file and also correspond with the buyer regarding their membership transfer options. Failure to submit the Closing Disclosure within a 30-day period of closing could result in reduced dues refund. A membership attached to a property is transferable to the buyer of the property as long as the membership is current at time of closing. We will not cancel a membership and refund dues based on verbal notification from the seller/member.
