

## Snowbird Golf Program Referral Incentive

Barefoot Resort & Golf is pleased to announce an incentive program initiated to reward those loyal Snowbird Program participants who return year after year and enjoy their experience enough to recommend it to friends and relatives.

Any **previous participant, individual or family**, who enrolls for the 2021-22 year and recommends an individual or family who signs up for the program in 2021-22 for the **first time**, will receive a \$50 gift card. The card is good for purchase of golf rounds, merchandise purchases or food and beverage purchases on any Barefoot Resort Course, at a Restaurant/Bar or Pro Shop (Resort and Dye Clubhouses). Should the returning participant recommend two new enrollees, they will receive a \$100 gift card.

There are a few guidelines which govern the program:

1) Recommendations may be made **only by returning Snowbird Program participants** who have enrolled or plan to enroll for the 2021-22 Snowbird season and the new prospective Snowbird Member (s) must tell the Membership staff who recommended them to the program at the time of enrollment. Gift cards will not be awarded should the new enrollee fail to notify a member of the Membership staff.

3) Recommendations must be made in writing to the Barefoot Membership Dept. either by e-mail to [membership@barefootgolf.com](mailto:membership@barefootgolf.com), in person at the Membership Dept. Office or by mail to

Membership Dept.  
Barefoot Resort & Golf,  
4980 Barefoot Resort Bridge Rd,  
N. Myrtle Beach, SC 29582.

4) The recommendation must include the new prospect(s) name, mailing address, phone number and e-mail address if they have one. Incomplete recommendations will not be accepted.

5) In order for the recommending party to receive the gift card incentive for the 2021-22 year, the new prospect must enroll for a minimum of one month in the 2021-22 Snowbird Program and follow all enrollment procedures as outlined in Snowbird Program Guidelines.

We hope this new incentive will help us to grow and improve the program while at the same time thank those who have enjoyed their Barefoot experience enough to recommend others try it. For any questions relating to the Snowbird Recommendation Incentive Program, please call 843-390-3203 or write to [membership@barefootgolf.com](mailto:membership@barefootgolf.com).
